AIP of the Republic of Kazakhstan subscription form

We wish to inform you that Kazaeronavigatsia – provider of air navigation service in the Republic of Kazakhstan is planning to bring out a new issue of AIP in the first quarter of 2017. The issue will be published by an electronic AIP (eAIP) on the official web-site at the following link: <http://ans.kz/index.php/en/aeronautical-information-provision>. At the moment a demo version of the eAIP is already available, whereas official use start after AIRAC date of 30th of March, 2017. Hence, we encourage our subscribers to use the eAIP from our web site. Besides, it could be extracted from Published AIP Management System (PAMS) of the European AIS Database (EAD).

Having regard to the above, we would like to review and update a list of our subscribers and define a format you would like to receive AIP of the Republic of Kazakhstan in future.

Please complete this form and forward to the following address: omarov@ans.kz

Note: The last official version of the eAIP approved by the Civil Aviation Authority of the Republic of Kazakhstan is always available on our web site at least 42 days in advance of an effective date. In addition, Trigger NOTAM is originated and promulgated when an AIP Amendment or an AIP Supplement is published or not.
