1. GENERAL INFORMATION

Republican state enterprise with the right of economic management «Kazaeronavigatsia» of the Civil Aviation Committee of the Ministry of Transport of the Republic of Kazakhstan (hereinafter referred to as the «Enterprise») was created in accordance with the Decree of the Government of the Republic of Kazakhstan dated 23 July 2013 No. 736 «On the reorganization of some republican state enterprises of the Civil Aviation Committee of the Ministry transport and communications of the Republic of Kazakhstan» by merging the republican state enterprise with the right of economic management for air traffic control, technical operation of ground-based radio technical support for flights and telecommunications «Kazaeronavigatsia» of the Civil Aviation Committee of the Ministry of Transport and Communications of the Republic of Kazakhstan and the republican state enterprise with the right of economic management «Center for flight safety» of the Civil Aviation Committee of the Ministry of Transport and Communications of the Republic of Kazakhstan.

The Enterprise was registered by the Department of Justice of the city of Astana on 18 September 2013 BIN 130940015918, the last re-registration was made on 13 November 2023.

The founder of the enterprise is the Government of the Republic of Kazakhstan (hereinafter referred to as the «Founder»).

The rights of a subject of state ownership in relation to the property of the Enterprise are exercised by the Committee of State Property and Privatization of the Ministry of Finance of the Republic of Kazakhstan.

The body managing the Enterprise is the Civil Aviation Committee of the Ministry of Transport of the Republic of Kazakhstan.

The subject of the Enterprise's activities is air navigation services - activities that include the organization of air traffic, the provision of communication, navigation and surveillance systems, meteorological and search and rescue support for flights, and the provision of aeronautical information.

The main goal of the Enterprise is to ensure flight safety in the airspace of the Republic of Kazakhstan. The Enterprise realizes the main goal of its activities by providing air navigation services and making contributions to ensure flight safety.

The activities of the Enterprise are regulated by the Convention on International Civil Aviation and the current legislation of the Republic of Kazakhstan.

By the Law of the Republic of Kazakhstan «On Natural Monopolies», air navigation services are classified as areas of natural monopolies in the Republic of Kazakhstan.

The cost of services is determined based on the approved tariffs for air navigation services for aircraft and the volume of services provided. The activities of the Enterprise are divided into: regulated and unregulated activities.

Tariffs for regulated services are approved by the Civil Aviation Committee of the Ministry of Transport of the Republic of Kazakhstan. Tariffs for unregulated services are established by the Enterprise independently, taking into account the recommendations set out in the Convention on International Civil Aviation.

The Enterprise carries out activities to provide medical services on the territory of the Republic of Kazakhstan on the basis of:

State license No. 19010178, issued by the public health department of Astana on 3 May 2019 (date of initial issue - 2 March 2012), permanent validity.
