1. GENERAL INFORMATION

Organisational structure and activities

The State Enterprise on the Basis of Economic Management 'Kazaeronavigatsiya' of the Civil Aviation Committee of the Ministry of Transport of the Republic of Kazakhstan (hereinafter – the Enterprise) is a legal entity in the organisational and legal form of a state enterprise operating under the right of economic management.

The Enterprise was established in accordance with Resolution No. 736 of the Government of the Republic of Kazakhstan dated 23 July 2013 'On the reorganisation of certain republican state enterprises of the Civil Aviation Committee of the Ministry of Transport and Communications of the Republic of Kazakhstan' through the merger of the Republican State Enterprise under the right of economic management for air traffic control, technical operation of ground-based radio navigation and telecommunications facilities 'Kazaeronavigatsiya' of the Civil Aviation Committee of the Ministry of Transport and Communications of the Republic of Kazakhstan and the Republican State Enterprise under the right of economic management "Flight Safety Centre" of the Civil Aviation Committee of the Ministry of Transport and Communications of the Republic of Kazakhstan.

The State Enterprise under Economic Management 'Kazaeronavigatsiya' of the Civil Aviation Committee of the Ministry of Transport of the Republic of Kazakhstan is registered with the Registration Department of the Astana branch of the non-profit joint-stock company 'State Corporation "Government for Citizens"', certificate of state re-registration of a legal entity dated 13 November 2023, date of initial registration: 18 September 2013. BIN 130940015918.

The founder of the Enterprise is the Government of the Republic of Kazakhstan (hereinafter – the "Founder").

The rights of the state republican property entity in respect of the Enterprise's property are exercised by the State Property and Privatisation Committee of the Ministry of Finance of the Republic of Kazakhstan.

The body responsible for managing the Enterprise is the Civil Aviation Committee of the Ministry of Transport of the Republic of Kazakhstan.

The scope of the Enterprise's activities is air navigation services – activities which include air traffic management, the provision of communication, navigation and surveillance systems, meteorological and search and rescue support for flights, and the provision of aeronautical information.

The primary objective of the Enterprise is to ensure flight safety within the airspace of the Republic of Kazakhstan. The Enterprise achieves its primary objective by providing air navigation services and making contributions towards flight safety.

The Company's activities are regulated by the Convention on International Civil Aviation and the current legislation of the Republic of Kazakhstan.

Under the Law of the Republic of Kazakhstan 'On Natural Monopolies', air navigation services are classified as a natural monopoly in the Republic of Kazakhstan.

The cost of services is determined on the basis of approved tariffs for air navigation services and the volume of services provided. The Company's activities are divided into: regulated and unregulated activities.

Tariffs for regulated services are approved by the Civil Aviation Committee of the Ministry of Transport of the Republic of Kazakhstan. Tariffs for unregulated services are set by the Company independently, taking into account the recommendations set out in the Convention on International Civil Aviation.

The Company carries out activities relating to the provision of medical services within the territory of the Republic of Kazakhstan on the basis of:
- State Licence No. 19010178, issued by the State Agency 'Astana Public Health Administration' on 3 May 2019 (date of initial issue – 2 March 2012), valid indefinitely;

- Certificate No. 1 of the Aviation Medical Centre confirming compliance with the requirements governing the activities of medical organisations in civil aviation, issued by JSC 'Aviation Administration of Kazakhstan' on 30 October 2023, valid until 30 October 2026.
