INTRODUCTION OF NEW SERIES OF NOTAMs

REF: AIP, GEN 3.1

1. Introduction

A new series of NOTAMs will be introduced, effective from November 13, 2024, to enhance aeronautical information management and improve flight safety.

2. Objective

The objective of this circular is to inform all stakeholders about the introduction of a new series of NOTAMs, which will be used to publish critical aeronautical information.

3. Description

The new series of NOTAMs are designated by the letters “C” and “D” and include the following types of information:

- NOTAMs Series A and B are published regarding information within FIR Almaty.
- NOTAMs Series K and N are published regarding information within FIR Astana.
- NOTAMs Series C and D are published regarding information within two FIRs:
 - Shymkent
 - Aktobe

NOTAM series A, C and K will be issued in English designated for international distribution.

NOTAM series B, D and N will be issued in Russian and designated for national distribution.

4. Procedures

If the scope of NOTAM activities regards more than one FIR, NOTAM is issued in series N and K. Trigger NOTAM is published only in series K and N as well.

5. Contact Information

For further information or clarification, please contact the Aeronautical Information Department at +7 (7172) 704-260 or via email at nof@ans.kz.

6. Conclusion

This circular will take effect on November 13, 2024. We request that all interested parties take note of this information and ensure its dissemination among the relevant departments.
